

Form 2: Accessing Choice in Education (ACE)
Teacher Survey About Options

Name _____ . Grade/subject taught. _____

As the result of a new grant opportunity, the Lapwai School District plans to offer some additional services for students. We need your input in helping us decide what additional services you think your students would like. We would like for you to indicate your level of interest in the services that are listed by indicating if you are “very interested,” “somewhat interested” or “not interested” or if you are “not sure or need further information.” Please indicate an answer for each of the questions by putting an “x” in the appropriate column.

Service	Very Interested	Somewhat interested	Not interested	Not sure/need more information
Dual credit/dual enrollment (earn college credit)				
Native American Studies (includes online cultural coursework or independent studies in areas such as Native American Arts, Native American history, cultural awareness, etc.				
Credit Recovery (being able to “make up” a course you dropped or failed)				
Counseling to include advising on college or career needs, support for students experiencing difficulties at school.				
College and Career Readiness (includes online learning opportunities to help prepare students for college or a career including out of school hands-on career exploration, leadership opportunities, workshops, college visits)				
Summer School				
After school tutoring and programs				
Gifted student services/activities (for those students that have gifts and talents that have not been identified but would benefit from some challenging and enriching activities).				
Technology utilization including online learning opportunities, instruction on use of technology for research				
Restorative Justice (method to use positive means to reduce disciplinary incidents at the school.				
Parent/School Liaison who would be a bridge between the school and the parent, work with parents to help them with issues involving their child, represent their interests to the school if requested, and address any other issues as needed.				

Additional requests/suggestions/comments:

When you are finished, return to David Penney.
