

**TITLE VII – Student Eligibility
Lapwai School Districts – District #341
Indian Education Program**

Parent or Guardian:

There is not a complete 506 form on file for your student. Although it is not a requirement for school attendance, it allows the school district to include your student in Indian Education programs funded by Title VII. This form will become part of your student’s school record and will only need to be completed one time. Information included on the form will not be released without your permission.

I hereby grant my permission for the Lapwai School District Indian Education Program to release my student’s Title VII Student Eligibility Certification (506 form) to the tribal enrollment agency in order to verify tribal membership or descendancy and obtain an enrollment number for the student or myself.

I verify that the information provided on this form is accurate to the best of my knowledge:

Print Name of Student

Name of Tribe, Band or Group

Print Name of Parent or Guardian

Tribal Enrollee’s Date of Birth

Signature of Parent or Guardian

Today’s Date
